

TEEN POP CULTURE QUIZ: UPDATE 9

WENDY WOLTJER AND ERIN V. HELMRICH

Our first Web-only Quiz Update 8 in December 2002 gave you a whiz-bang quiz that is more timely (translate as hot with teens) than it was in print. This new Update 9 joins the rest of our April 2003 issue contents; unlike other new articles, it was never in print. As a Teen Pop Culture Quizzie (groupie), remind yourself to check VOYA's Web site around the first of each April, August, and December to get your latest quiz fix. Past print quizzes appear in these VOYA issues: October 1999, August 2000, December 2000, April 2001, August 2001, December 2001, April 2002, and August 2002—but they're past history. We plan to archive the Web-only quizzes on our site for a while. Let your VOYA Editor know if you have an opinion about how long that should be—contact us online under About Us/Reader Response. You'll find the December 2002 Web Update 8 still clickable under What's in VOYA/Columns/Teen Pop Culture Quiz.
